

In Giving

"Our Clubs" a short rest in the way of "ads," we wish to assure you that they are very much alive just the same: To have three full clubs running after our enormous success of a few years ago, is more than we expected. One would have been all we could have expected.

Today

We want to call your attention to a new lot of inlaid forks and spoons, which are just a shade better and a great many shades cheaper than any we have ever had. We generally surprise people when we tell them our prices on

"Rogers"

goods, for in spite of great protestations from others that their prices are so much less, our prices are always lower. Silver plated ware, reinforced with a piece of solid silver, where they are subject to greatest wear, will last a lifetime; and that's the kind we are talking about. Tea spoons are only

\$5.00

a dozen, and other pieces in proportion.
Cheap enough for any one.

People

Who saw our advertisement in the Illustrated Magazine, got a fair idea of the merits of the Jewel Stove. It's a good one for the housekeeper. We have other things just as pretty and just as useful. Every department of our establishment is complete in the minutest detail. This is notably the case with crockery. We have

Ironstone White, in any article in crockery. This is the cheap grade. Then there is **white semi-porcelain**, the closest to pure china manufactured. This is also pure white.

English Decorated Ware

Three patterns, beautiful colors and designs. Every piece of this ware can be duplicated from our stock in the event of a breakage occurring. This enables people to have their sets always full and complete.

In French China

we have the largest stock in Honolulu, and the patterns are more varied than can be found elsewhere. We have three stock patterns from which one piece or a hundred may be purchased.

Fancy Articles

in plain white china or in decorated ware. These pieces include Chocolate Sets, Bouillon Cups and Saucers with covers, Oyster Plates, Mustard Pots, etc.

MEMORIAL DAY.

Odd Fellows' Lodges Decorate Graves of Dead Members.

Among the Odd Fellows, as well as the Masonic fraternity, there is a very pretty custom of holding memorial services each year for those who have died during the previous 12 months. The day for the services is set by the Grand Sire of the order and communicated to the various lodges in a general order. This year it was for June 8th, but permission is given the lodge to hold the celebration on another day, if it is more convenient. The lodges here agreed upon the 6th, and yesterday the services were held.

In Harmony hall, on King street, at 3 o'clock, services were held, with Dr. C. T. Rodgers, N. G., as chairman. Following was the program carried out:

1. Opening remarks by D. D. G. Sire Brother H. H. Williams.
2. Hymn by members present.
3. Prayer by Chaplain P. G. Brother Dalton.
4. Opening exercises by N. G. Harmony Lodge.
5. Reading proclamation and names of deceased members of this jurisdiction by Secretary P. G. Brother Hough.
6. Eulogy on Brother Hatfield, Excelsior Lodge, by Brother Crane.
7. Eulogy on Brother Carney, Harmony Lodge, by P. G. Brother Magoon.
8. Instrumental music by Sister Dayton.
9. Eulogy on P. G. Brother Savidge by Brother W. R. Castle.
10. Eulogy on P. G. Brother Ferry by Brother Wagner.
11. Prayer by Chaplain.

The services at the hall completed, the members of the lodge took waggonettes and rode to Nuuanu Cemetery, where other services were held as follows:

1. By N. G. of Excelsior Lodge.
2. Prayer by the Chaplain.
3. Song by members present.
4. Oration by Sister Petrie.
5. Prayer by Chaplain.
6. Decoration of graves.
7. Forming of procession back to lodge.

Following is a list of the dead, whose graves were beautifully decorated with a profusion of flowers:

1. J. W. Hatfield, admitted May 14, 1878; died December 1, 1896.
2. Brother Carney, admitted March 16, 1891; died September 19, 1896.
3. S. Savidge, admitted January 23, 1872; died April 28, 1897.
4. F. Ferry, admitted August 25, 1896; died April 28, 1897.

In all, there must have been 50 Odd Fellows present at the exercises.

HAD A GOOD EYE.

Sam Parker Bowls a Bunch of Bananas.

There was an amusing incident on the Pacific Mail wharf Saturday afternoon, just as the O. & O. S. S. Belgic was hauling away from the Pacific Mail wharf. In this Sam Parker, Clarence Crabbe and a Chinese fruit vendor were concerned.

Just a few minutes before the steamer departed for the Orient Mr. Crabbe thought that he would like to see some bananas aboard. He called a Chinaman and told him to get three bunches from up town as quickly as possible. The fellow demurred, thinking it too late, but finally ran up town and brought down three bunches.

He arrived on the wharf just as the steamer was hauling away from the wharf. Grasping one of the bunches he threw it up toward the lower deck. It fell short and into the water. The second bunch met with the same fate. Just then Sam Parker went to the rescue, and, grasping the third and largest bunch, gave it a swing and sent it aboard without trouble. While the Chinaman was mourning the loss of the two bunches in the water, native boy swimmers were tying a rope to these, and in a short time they were hauled aboard. The shouts of the people on the wharf when Sam Parker threw the third bunch aboard were heard uptown.

Broke Up Swipes Joint.

Detective Kaapa and some of his men went into a swipes joint in Kapukolo Saturday night, and while the inmates, among whom were three blue-jackets from the U. S. S. Marion, were carousing and having a beautiful time, upset the barrels and demijohns, so that nearly everyone present was conscious of a distinctly wetting sensation. When the officers left there was nothing left of the swipes but the marks it left on the floor of the house and the ground outside. The keeper of the joint was not arrested, but he will probably refrain from further dealing with swipes.
